

June/July 2010

June Playscheme

Our June holiday club had a World Cup theme with activities mainly based around football and South Africa.

The children enjoyed a football skills workshop and penalty shootouts delivered by Mike, made world cup bunting and biscuits and on Friday took part in a sponsored fun run around the playing field. This was also our dress up day with everyone including staff coming to Y-Play wearing football kit!

On the Wednesday we enjoyed a trip to Markeaton Park which included a round of crazy golf and a picnic.

In the afternoon we had a tour of Pride Park Stadium. This was supposed to conclude with a guest appearance by mascot Rammie, but disappointingly he was unavailable.

Sponsored fun run

The children took part in a sponsored fun run during half term and so far we have collected about £50 to spend on new toys for Y-Play. If you have any sponsor money please send it in as soon as possible. Thank you.
